PRINCIPAL’S MESSAGE

Welcome to Ronald Wilson Reagan Middle School

My name is Alfie Turner, and I am honored to serve as principal of Ronald Wilson Reagan Middle School. Staff, students, parents and the proud community of Haymarket will work together to nurture the great minds of tomorrow. Our goal at Ronald Wilson Reagan Middle School is to provide a wonderful educational experience for every student.

Our school motto, “Learn, Achieve, Succeed, Contribute,” captures the desire each of us has to help all students learn the skills they need for success along with the judgment to use them responsibly and ethically. We accomplish this vision of high-level learning, integrity, and achievement for every child in several ways:

First, we focus on providing first-rate instruction to our students in each class. Every teacher team prioritizes its curriculum and works together to create common expectations and assessment tools to support high-level learning. Our teachers work to ensure lessons are structured to help students achieve their expectations through cycles of demonstration, practice, assessment, feedback, and grading systems that accurately reflect what students know and can do in each class.

Second, we focus on literacy across each subject. At Reagan, we define literacy as the ability to read, write, speak, and listen at high levels. Each of our teachers strives to make this a reality for students through the regular use of common reading, writing, speaking, and vocabulary strategies.

Third, we create a safe and effective learning environment by supporting positive behavior. We regularly teach and reinforce our RIDER (Responsibility, Integrity, Enthusiasm, Discipline, Respect) expectations for student behavior and interaction. We also use the Olweus Bullying Prevention principles to promote a school climate where negative behavior becomes socially unacceptable.

Finally, we create opportunities for students to receive additional support outside of the traditional classroom. Students in need of additional support can get it in a variety of different ways through independent study and support classes, the homeroom period, and after-school clubs and help sessions. Members of the school staff collaborate throughout the school year to help identify the best ways to help students in and outside the classroom.

As your new principal, I am very excited to begin a new journey in this wonderful school filled with pride, respect and honor. I would like to thank our parents, teachers, students, and staff in advance for their continuing efforts to realize our school’s vision of high-level learning, integrity, and achievement for every child through instruction, literacy, behavior, and support. I am confident that together we can make the Ronald Wilson Reagan Middle School experience rewarding for every student.

Respectfully,

Mrs. Alfie Turner, Principal

“Learn, Achieve, Succeed, Contribute”

“The greatest leader is not necessarily the one who does the greatest things. He is the one that gets the people to do the greatest things.”

ACADEMIC GRADING SCALE/EXAMS

The Prince William County Public Schools has adopted the following grading scale for all its middle schools:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage</th>
<th>Letter Grade Values</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90-100</td>
<td>(4.0)</td>
</tr>
<tr>
<td>B+</td>
<td>87-89</td>
<td>(3.4)</td>
</tr>
<tr>
<td>B</td>
<td>80-86</td>
<td>(3.0)</td>
</tr>
<tr>
<td>C+</td>
<td>77-79</td>
<td>(2.4)</td>
</tr>
<tr>
<td>C</td>
<td>70-76</td>
<td>(2.0)</td>
</tr>
<tr>
<td>D+</td>
<td>67-69</td>
<td>(1.4)</td>
</tr>
<tr>

</tr>
<tr>

</tbody>
</table>

Interim, marking period, and final grades earned in sixth and seventh grade are computed using letter grade values. Grades, which are earned in the eighth grade and in any high school level class taken by a seventh grade student, are computed using actual numeric (percentage) grades (high school grading scale). The numeric average is then converted to a letter grade for the student report card or interim report. Exams will be given to all students who take classes offered at the high school level at the end of each year. Exam grades count for 20% of the second semester grade.

APPROPRIATE SCHOOL DRESS

Ronald Wilson Reagan Middle School students and parents have a basic responsibility for appropriate school dress as stated in the Code of Behavior. Students should always take pride in their appearance and keep in mind that the way they dress should demonstrate respect for their peers, parents, teachers, and the safety and integrity of the school learning environment. Coats and jackets must be kept in the school locker. **Students may not wear beach attire, tank tops, sleeveless or strapless tops, plunging necklines, pajamas, slippers, bandannas, pocket chains, coats, oversized or bulky sweatshirts, ragged or torn pants or jeans, (pants should not fall below the waist; belts are encouraged), tight shorts, skin-tight pants/leggings, or tight tops which reveal undergarments (i.e., bicycle and sheer clothing). No bare midriffs will be permitted.** Students may wear tailored, hemmed shorts of moderate fingertip length (5 inch inseam). Skirts must also be fingertip length. Students may not wear any clothing that has wording or designs that contain or reference profanity, drugs, alcohol, cigarettes, death and/or violence, or sexual innuendo. **Loaner shirts and sweatpants will be provided to students who arrive at school dressed in inappropriate shirts/tops or pants/shorts.** Students may not wear hats and/or sunglasses in the school building. Footwear must be worn at all times. Students who do not meet school standards for dress and cleanliness, or feature an appearance that distracts from or disrupts the learning environment, may be sent home or a school staff member may contact a parent to bring appropriate clothing.

ATTENDANCE/ABSENCES

Students and parents are responsible for regular school attendance. Failure to attend school on a regular basis has a serious impact on student achievement. Please reference the Code of Behavior for specific information regarding attendance and truancy.

Parents are encouraged to use the absence reporting tool on the Reagan Middle School website when their child is absent. In cases where a parent chooses not use the online absence reporting tool, their students must submit a written note from them that provides a reason for the absence to a front office staff member. The note needs to be signed by the parent or guardian and indicate telephone contact information for verification. Notes should be submitted no later than the second day after a student returns to school.

Teachers will provide students a reasonable amount of time (no less than two additional school days for every class period missed) to complete and submit work missed due to unexcused or excused absences. Students are responsible for contacting their teachers for missed work. Students who are out for less than three days at one time should take care of their missed work when they return to school. In cases where students are out for an extended period of time, parents are encouraged to contact the school for missed work after the third consecutive day of absence.

The school will take the following actions in response to unexcused student absences:

Parents will be notified by the school’s phone/e-mail parent communication system of each student absence.

Five (5) or more unexcused absences within a school year will result in parent notification and the development and implementation of a plan between the parent, student, and attendance officer to resolve attendance issues. Additional measures will be taken by the attendance officer if unexcused absences continue.

The administration may also contact a parent in the event of an excessive number of excused absences from school.

ATTENDANCE/PRE-ARRANGED ABSENCES

In order for pre-arranged absences to be excused, the principal must be notified in writing. Please obtain a Pre-Arranged Absence Form from the front office or online, fill the form out completely, and return it to the front office at least five days prior to the first day of the requested absence. The principal uses professional
judgment in making a determination based on the reasons stated in the parent’s written request for a pre-arranged absence. He will consider factors such as the educational value of the proposed experience, the personal or family benefit resulting from the experience, and the impact of the absence on the student’s academic progress in determining whether or not to approve a request for a pre-arranged absence from school. Work requested in advance may be provided at each teacher’s discretion; however, teachers will not be required to provide work in advance of the absence. Students with approved pre-arranged absences will still be required to take any nine-week tests and/or semester exams administered in class.

**BOOK BAGS**

Students may carry book, athletic, or gym bags to and from school; however, these items must be stored in lockers during the school day. Students are not permitted to bring book bags, athletic bags, or gym bags to classrooms, the main office or cafeteria. Gym bags may be carried to and from Physical Education class.

**BREAKFAST**

Breakfast is served starting at 7:55 a.m. in the cafeteria. Students must enter the cafeteria and eat before going to their lockers. The breakfast line closes at 8:15 a.m. Please check the PWCS School Food and Nutrition Services webpage for current pricing at [http://pwcs.menus.schoolfusion.us/](http://pwcs.menus.schoolfusion.us/).

**BULLYING**

Ronald Wilson Reagan Middle School will not tolerate physically, verbally or emotionally abusive behavior. Taunts, threats, insults, gossip, humiliation, teasing, pushing, tripping, and hitting are all considered bullying behaviors. Bullying behavior also includes harassment that is initiated electronically though instant message, texting, blogs, social networking websites, e-mail, or any other communication venue that can be accessed by a phone, computer, or electronic device. This type of inappropriate behavior is referred to as cyber-bullying. Students will be held accountable for inappropriate behavior that occurs in school, at the bus stop, on the bus, while traveling to and from school, and during school sponsored events (field trips, activities/sports events, etc.). Students will also be held accountable for inappropriate behavior, including cyber-bullying, that occurs in the community and impacts the integrity of the learning process or school environment. Consequences for harassment and bullying may include suspension and a recommendation for expulsion. For additional information about bullying, see the *Code of Behavior*. Victims of or witnesses to bullying, harassment, or abusive behavior should immediately report it to a school staff member and to a parent or guardian. If at home, please report your concern to your parent. You may also call the Prince William County Public Schools’ Tip Line at 703.791.2821. You may also use the statewide Tip Line at 1.877.472.3382. **These tip lines are anonymous.** Please note that these are recorded message systems and should not be used in cases of emergency or when an immediate response may be required. Please contact the police in cases of emergency. Specific incident report forms may be found in the main office or in the counseling office. *It is important that each member of the Ronald Wilson Reagan Middle School community works together to help ensure a safe learning environment for every child at all times.* Students should speak with a school counselor or an administrator if they have concerns or need additional information. Reagan Middle School has implemented the *Olweus Bullying Prevention Program* to help create a safe school environment.

**CAFETERIA**

The cafeteria provides balanced meals for purchase each day. Please check the PWCS School Food and Nutrition Services webpage for current pricing at [http://pwcs.menus.schoolfusion.us/](http://pwcs.menus.schoolfusion.us/). School lunch menus are sent home at the beginning of each school year in the first day packet. Checks for meal tickets should be made payable to *Prince William County Food and Nutrition Services*. Parents can pay by credit card and set up an account at *MyLunchMoney.com*. Parents will need their student(s) ID number to complete account setup.
Expectations for the Cafeteria (in addition to RIDER expectations):

1. Students are expected to be on time to the cafeteria for their lunch period.
2. Students should enter the cafeteria in an orderly manner through the appropriate door.
3. Upon entering the cafeteria, students who are purchasing lunch are expected to choose and remain in a serving line until they have bought their food. Students are not permitted to cut in the line or save places in line for other students.
4. Students must clean up their lunch area before dismissal.
5. Students will be dismissed from the cafeteria by tables.
6. Violations of the above expectations may result in disciplinary action.

CODE OF BEHAVIOR

The Code of Behavior has been established for the Prince William County Public Schools. The School Board, acting through the Superintendent, holds school employees responsible for student behavior while they are legally under the supervision of the schools. The School Board holds all students responsible for appropriate conduct as defined in the Prince William County Code of Behavior. Students and parents are encouraged to review carefully and become knowledgeable about the Code of Behavior. If you have any questions concerning the Code of Behavior, please contact an administrator.

COMMUNICATION AND ELECTRONIC DEVICES

Students may possess wireless communication or electronic entertainment devices (cell phones, PDAs, Kindles, etc.) on school grounds provided that they are not activated before or during the school day. These devices must be turned off prior to entering school. Leaving the device on “vibrate”, “silence”, or “ringer off” is not permitted.

There are some exceptions to these restrictions. For safety reasons, students may utilize these devices after school hours provided the use of the device does not distract from or disrupt school activities. The use of wireless communication or electronic entertainment devices are permitted on school buses while traveling to and from school provided it does not interfere with the safe operation of the school bus; at all other times any student use will be permitted only at the discretion of authorized staff. For instructional purposes, students may utilize electronic devices in the classroom at the discretion of the teacher or supervising staff member if such use will enhance the quality and rigor of the learning experience.

Any electronic devices and/or cell phones that are used in violation of these procedures will be confiscated for inappropriate use, and parents will be required to come to the school to pick them up. School staff members do not assume responsibility for the security of communication and/or electronic devices that are brought on to school property. Parents and students should refer to Regulation 295-1 and the Code of Behavior of the Prince William County Public Schools for more detailed information on the use of communication and electronic devices in school.

CONDUCT GRADES

Prince William County Public Schools evaluates its students on their conduct in all classes. The following characteristics are evaluated:

**Courtesy:** Respects others and uses good manners.

**Dependability:** Demonstrates honesty and reliability.

**Personal Habits:** Exhibits self-control, conforms to school regulations and the Code of Behavior, and respects the rights and property of others.
Cooperation: Works for the mutual benefit of the group and is willing to assist others.

Students receive the following grades:

- **O- Outstanding**: The student exceeds these expectations.
- **S- Satisfactory**: The student meets these expectations.
- **U- Unsatisfactory**: The student does not meet these expectations.

**COUNSELING SERVICES**

The Counseling Department

The purpose of the counseling department at the middle school level is to enhance the academic achievement of students. The comprehensive, sequential program focuses on the career/educational development of all students. It involves student acquisition of skills necessary to engage in life-long learning, become aware of life/career choices, and prepare for the world of work. All aspects of the program are complementary to the efforts of parents, school staff and the community. The following counselors are assigned to their respective grade level:

- Director of School Counseling: Amy Covell
- 8th grade students: Erin Piette
- 7th grade students: Erin Fitzpatrick
- 6th grade students: Erica Jefferson

**Middle School Years**

The middle school years are a time for a child to explore new interests and refine previously learned academic skills such as decision-making, academic and interpersonal skills, and resiliency. It is also a time when a student begins to connect aptitudes, abilities, and personal interests to future educational and career goals.

The counseling department at Ronald Wilson Reagan Middle is dedicated to helping students explore and pursue academic and future career goals. Character education will also be presented to students through the counseling department. Counselors work with students in the classroom through lessons, in small groups covering developmental topics, or on an individual basis as needed and requested. The student, parent, teacher or administrator may refer a student to the counselor.

Parents may request conferences for their child through the grade level counselor or make an appointment to speak with the counselor individually to discuss their child’s progress, test scores, or other situations pertinent to the student’s personal or academic success. Students requesting a conference with their counselor will receive a hallway pass.

**Career Development**

The Career/Educational Development curriculum focuses on the acquisition of career/educational skills essential to the future success of students in the workplace. Those skills are self-understanding, decision-making, goal-setting, coping, communicating, and cooperating with others. Mastery of these skills is necessary for increasing student resistance to high-risk behaviors and helping them to be employable and productive citizens. The Career/Educational Development curriculum enhances students’ potential for life-long success.
DANCES

All dances are for Reagan students only and will be held from 7:00 p.m. to 9:00 p.m. Students may not leave a dance early without written permission. A dance permission slip with parent and student signatures will be required to enter all dances. Parents and guardians are always welcome to chaperone. Students are expected to adhere to the *Code of Behavior* and Ronald Wilson Reagan Middle School Student Handbook during all dances. If a student is serving an out-of-school suspension, he/she will not be permitted to attend a school dance/event.

ELIGIBILITY, ACADEMIC

A student is placed on academic probation for the duration of the next grading period if he/she receives an academic grade of “F” in two or more subject areas. A student on academic probation is prohibited from participation in all extracurricular activities: clubs or organizations, dances, and attendance at after-school events. This policy applies to all students, including those who have transferred to Reagan Middle with two or more “F” academic grades.

Academically ineligible students meeting eligibility criteria on an interim report may try out for the next sports season. The student may practice but may not participate in scheduled games until the academic standard is met at the end of the full grading period (one day after grades are due in the counseling office).

For athletics, eligibility for the first grading period for seventh and eighth grade students is determined by the fourth quarter grades from the previous school year. All sixth grade students are eligible at the beginning of the school year for participation in extracurricular activities.

ELIGIBILITY, CONDUCT

A student is placed on conduct probation for the duration of the next grading period if he/she receives an unsatisfactory grade (U) in conduct in two or more subject areas. A student on conduct probation is prohibited from participation in all extra-curricular activities: athletics, clubs, dances and attendance at all other school-sponsored events. All students are eligible at the beginning of the school year for participation in extracurricular activities. This policy applies to all students, including those who have transferred to Reagan Middle with two or more “U” conduct grades (or the previous school’s equivalent conduct rating).

Conduct-ineligible students meeting eligibility criteria on an interim report may try out for the next sports season. The student may practice but may not participate in scheduled games until the conduct standard is met at the end of the grading period (one day after grades are due in the counseling office). Ineligible students who become eligible after the team selections have been made may not join the team.

EMERGENCY PROCEDURES AND FIRE DRILLS

State law requires the quick and orderly evacuation of the building during a fire alarm. To ensure the safety of all students and staff, fire drill procedures are posted in all classrooms. In addition, students and staff practice tornado drills, inclement weather drills, and lockdown drills throughout the school year. It is important for students to carefully listen to and follow staff instructions during these drills. Failure to follow the directions of staff may result in disciplinary action up to and including suspension from school.

Ronald Wilson Reagan Middle School’s emergency shelter location is Battlefield High School. In the case of an emergency (evacuation due to fire, loss of utilities, or other situations), school staff will make every effort to keep parents informed of developments by email and phone using the auto dialer system and by postings on the school website.
FOOD AND DRINKS

During the school day, students are only permitted to have food and drinks (no glass containers) in the cafeteria unless special permission is granted by a staff member for a special activity. Students may carry and drink water throughout the school day.

HALL PASSES

Each team of teachers will determine how they will issue hall passes. However, the front office, school counseling office, and clinic will issue separate passes as needed.

HALLWAY SAFETY

At every change of class, there will be many students moving from one room to another. Teachers will be at their doorways monitoring the change of classes. In order to keep the noise at a minimum, students are expected to be quiet and courteous, to walk to the right at all times, and to refrain from blocking hallway traffic. Running could cause an accident and is not permitted. Once students have entered the classroom, they will remain inside until the end of the scheduled class time. Students should take care of bathroom needs before entering the classroom.

HONOR CODE PLEDGE

“I will demonstrate responsibility, integrity, discipline, enthusiasm, and respect each day in school. I will treat others with courtesy and dignity at all times. I will not be dishonest, bully, or harass and will not tolerate these actions in others. I will take personal responsibility for my words and actions. I will use the knowledge and skills I learn to make positive contributions to my family, school, and community.”

HONOR ROLLS

At the end of each nine-week grading period, those students who have succeeded in making above-average grades in all subjects in which they are enrolled are named to an honor roll. There are two kinds of honor rolls:

- **Principal’s Honor Roll**
  Students who have achieved an “A” in every subject.

- **Honor Roll**
  Students who have achieved no more than one “C” and have a minimum of an overall “B” average.

LOCKERS

Lockers are provided for all students. Periodic locker checks will be conducted to assure lockers are kept clean and neat. An administrator may, for a specific reason, search a student’s locker at any time. Students should not give their locker combination to anyone. The school is not responsible for items stolen or lost from a locker (this includes school lockers, gym lockers, music lockers, and storage areas). Students who misuse their locker or ignore locker guidelines may have their locker privileges suspended by the grade-level administrator for a specified period of time.

During the first few weeks of school, many students require assistance in learning how to operate the combination lock. However, if students have difficulty opening a locker because it is too many items, staff members will not repeatedly un-jam the locker. It is the student’s responsibility to maintain a well-organized locker and ensure it is locked at all times.

LOST AND FOUND

Any lost jewelry, keys, glasses, wallets, phones, electronic devices, or expensive personal property should be turned in to a front office staff member. Other articles should be taken to the lost and found box located in the cafeteria. Lost items not claimed will be donated to charity throughout the year. The school is not responsible for lost articles or
money; therefore, it is suggested that students leave articles of value at home.

**MEDICATIONS**

Every effort should be made by the parent/guardian of the student to administer prescription drugs outside of the school day. If it is necessary for the student to receive medication during the school day, the parent/guardian must complete and return the Parent Release Form and the Medication Form. Parents are required to bring the medication (prescription and over-the-counter medications) in its original container with a current expiration date and completed medication forms to the school nurse in the clinic. Students are never to transport medication to or from school. Please refer to PWCS’ regulations regarding medications: R757-4 Administration of Asthma Medications to Students, R757-5 Administering Insulin and Glucagon, and R757-6 Administering Insulin and Glucagon or go to PWCS’ webpage link:

http://pwcs.schoolfusion.us/modules/cms/pages.phtml?sessionid=0644863071a3dd1a682c9af7fc1ad757&pageid=153275&sessionid=0644863071a3dd1a682c9af7fc1ad757.

Medication forms are available in the front office. The school will not accept medication that has expired or over-the-counter medication that is not in the original, unopened container. Prescription drugs must be submitted in the original container. The school will not be responsible for lost or spilled medications. Inhalers need to have a pharmacy label. At the end of the school year, parents must pick up all remaining medications. In the event that a student is required to carry an inhaler on his/her person, a doctor’s note is required along with approval from the principal or his designee.

**NATIONAL JUNIOR HONOR SOCIETY**

Consideration for membership in the Ronald Wilson Reagan Middle School Chapter of the National Junior Honor Society is open to all seventh and eighth grade students who have been enrolled at Reagan for the equivalent of one semester and who have earned a Grade Point Average of at least 3.5 (non-rounded). During the spring semester, eligible students and parents will receive specific information on membership criteria and the selection process. The annual membership process and induction ceremony will be held during the fourth quarter of the school year. Current students who were members of the National Junior Honor Society at a previous middle school will be granted membership in the Ronald Wilson Reagan Middle School Chapter of the National Junior Honor Society upon request and verification of their prior membership.

**PTSO**

The PTSO conducts a membership drive during the month of September. Membership information is available during back-to-school nights and throughout the year in the main office. PTSO activities include bingo nights, school dances, and other activities that support the academic, social, and emotional well-being of students. Parent involvement as members and as volunteers is critical to Ronald Wilson Reagan Middle School’s prospect for short and long-term success in providing a quality education for every child.

**PARENT MESSAGES AND ITEMS DROPPED OFF FOR STUDENTS**

During a normal school day, parents may contact the main office by phone to leave messages for students. The main office staff carefully records these messages, which will be distributed throughout the day. In an emergency situation the student will be called directly to the main office.

Occasionally, students may forget homework, active wear, lunch, etc. Parents may bring the forgotten item to the front office, where they can fill out a form with their student’s name and grade level. Items will be distributed during
the appropriate grade level lunch shift. Items needed prior to lunch will need to be picked up by the student during a
class change.

School staff members appreciate the patience, understanding, and cooperation of parents in following these
procedures as they minimize interruptions to the instructional day.

**PARENT PICKUP**

During September or until permanent passes are issued, parents and/or guardians who wish to pick up their student(s)
at dismissal time need to report to the front office and present a valid photo ID. From October through June, students
will be issued permanent laminated passes to show to staff on their way to meet their parent(s). For picking up
students during the school day, all parents/guardians are required to report to the main office and show proper photo
identification. Information on permanent passes will be mailed to parents in August and will be available in the main
office during the school year. Students may begin to use their permanent passes as soon as they receive them.

Parent Pick Up Rules/Procedures

1. Students must present their permanent laminated pass to staff on their way to Parent Pick Up.
2. Students should board their vehicles when they pull up to the side of the school.
3. Students meeting parents who are parked must use the cross walks to get across the road.
4. Students are expected to follow all Code of Behavior and RIDER expectations when waiting to be picked up.
5. Students are to refrain from playing with or standing near parked bicycles.

*When picking up or dropping off students, parents should pull as far forward as possible in the drop off/pick up lane to help avoid blocking the bus lane.* Parents should not leave their vehicles unattended in any area marked by a yellow curb. Parents should be aware that the student pick up/drop off lane is one-way and should follow the directions of staff members when they are present helping to manage the traffic flow in the student pick up/drop off lane. Students who will be picked up from school by a parent should use the building exit closest to the band room and present their pass to the staff member stationed at the exit.

**PHYSICAL EDUCATION GUIDELINES**

**PHILOSOPHY**

Health and Physical Education is a vital and dynamic part of the total educational process. It contributes to physical,
mental, and social development. Students have varied individual needs, interests and abilities, which the program
addresses in order to enable each student to realize his/her maximum potential. We believe that the program should
provide opportunities to develop total fitness, efficient motor skills, coordination, sportsmanship and knowledge of
activities, which may be pursued throughout life. Physical, mental, and social fitness ensure the individual’s pursuit of
a healthy lifestyle.

**APPROPRIATE ATTIRE**

Appropriate attire is required for physical education. This may be purchased throughout the year from the physical
education department or provided by the parent. Students will receive a gym locker and lock to keep gym/personal
items. Students need to use locks to secure their belongings.

<table>
<thead>
<tr>
<th>Cost of Active Wear and Lock</th>
</tr>
</thead>
<tbody>
<tr>
<td>T-shirt $5.00</td>
</tr>
<tr>
<td>Shorts $10.00</td>
</tr>
<tr>
<td>Lock Replacement Fee $5.00</td>
</tr>
<tr>
<td>Gym bags (optional) $10.00</td>
</tr>
</tbody>
</table>
Gym apparel should be clearly marked with the student's last name on the shirt and across the front of one leg on the shorts or sweatpants. This is easily done with a black permanent marker or iron-on letters. Since classes are held outside through the first week of November and again in late March, it is suggested that the student have a sweatshirt and/or sweatpants available for cooler days. The sweat clothes may be any color. **No part of a student’s gym apparel may be worn in other classes.**

RENTALS

If a student does not have appropriate attire, rental clothes will be available in each physical education office. Students are allowed to rent up to three times a quarter. The cost for rentals is $.50 for each article of clothing.

EXCUSES

Student will dress appropriately for class and participate to the best of their ability unless restricted by cast, crutches, etc. Excused notes from physical education will be accepted in extenuating circumstances. Parental notes must be written by the parent and include the date, parent's signature, and phone number where they can be reached that day for verification. **Parental excuse notes are good for that day or if noted, for three consecutive days. A physician’s statement will be required if the student cannot resume normal activities after the three-day period.**

NON-DRESS POLICY (Per Nine Weeks)

If a student fails to come prepared to class for activity the following consequences will occur.

1. Offense: credit is lost for the day and a letter is sent home.  
2. Offense: credit is lost, phone call home and a writing assignment  
3. Offense: credit is lost and a referral  

LOCKER ROOM AND SECURITY

Security against theft or loss is each student's responsibility. Students are to keep their clothes in their own locker and not to share combinations or lockers with other students. It is imperative that students secure their personal items before leaving their locker room; often this means double-checking the lock.

RONALD WILSON REAGAN MIDDLE SCHOOL PHYSICAL EDUCATION, COACHING, ADMINISTRATION, AND SUPPORT STAFF DO NOT ASSUME RESPONSIBILITY FOR LOST OR STOLEN ITEMS.

SHOWERS

Showers are available for use after Physical Education class. Students must provide their own towel and soap. Students are encouraged to practice good personal hygiene.

SAFETY

In an attempt to have a healthy and safe physical education program, the following expectations have been established.

1. No gum, food, or drink is permitted in class.  
2. No loose fitting jewelry will be permitted during activities.  
3. Sneakers will be laced and tied.  
4. No glass or aerosol containers are allowed in the locker rooms.  
5. Horseplay will not be permitted.  
6. Students are not permitted in any of the equipment rooms or to use any equipment until instructed by the teacher.  
7. If an injury does occur, the student should report this to his or her instructor immediately so proper first aid can be administered if needed.  
8. Students are not to sit on stacked bleachers.
GRADING

Physical education students in grades 6, 7, and 8 are graded on the following criteria each nine weeks:

A. Knowledge (20%) - this includes homework, quizzes, and tests.
B. Skills (20%) - this includes countywide standard skill tests and selected performance tests.
C. Participation (60%) - this includes dressing for activity, physical involvement, fitness runs, and warm-up exercises.

Eighth grade students also participate in the health program during the second and third marking periods. At that time, their grade is 50% Physical Education and 50% Health Education.

Virginia Wellness Test - All students will take this fitness test, which includes pull-ups, curl-ups, shuttle run, mile, and the V-sit and reach. This test will take place once a year and results will be sent home.

PUBLIC DISPLAYS OF AFFECTION

While student friendships are encouraged, activities such as hugging, kissing, or inappropriate touching during school and at school-related functions are not permitted.

READING/Writing/speaking STRATEGIES

Ronald Wilson Reagan Middle School students are readers! Students should carry a book with them at all times during the school day. In addition, the entire school will engage in Sustained Silent Reading (SSR) every Monday and Friday following morning announcements. Across the curriculum, Reagan students and teachers are actively engaged in reading, writing, and speaking using several key strategies:

- Predicting
- Questioning/Inferring
- Clarifying
- Summarizing
- Word Walls
- Interdisciplinary Writing Prompts

Teachers will use these common strategies to help students develop the following competencies in each subject:

- Draw logical conclusions,
- Construct evidence-based arguments,
- Resolve conflicting views, and
- Solve complex problems with no clear answer.

RIDING THE BUS

Please refer to the Code of Behavior for student responsibilities while on the school bus. The school bus driver is responsible for student safety and students are expected to respect and cooperate with the bus driver. Students should only ride their assigned bus. Please note that all students have equal seating rights on the bus. The school does not support the idea of seating preferences for students by grade level. All students will be equitably and respectfully treated while on the school bus. If a student wishes to ride another bus home with a friend, the student must obtain a Change of Bus Form from the front office the day prior to riding a different bus. The student should bring the completed form, signed by a parent to the front office the day of the bus change. The form must include a phone
number where the parent or guardian may be reached to verify consent. All forms will be verified by phone before a student is granted permission to ride another bus home. If a parent or guardian cannot be reached, the student will not be granted permission. In addition, students should be aware the school will not give permission for additional students to ride a bus that is full to capacity.

When a student is involved in misconduct on a bus, the following administrative actions will be taken:

<table>
<thead>
<tr>
<th>1st referral</th>
<th>Warning and counseling</th>
</tr>
</thead>
<tbody>
<tr>
<td>2nd referral</td>
<td>One-week bus suspension</td>
</tr>
<tr>
<td>3rd referral</td>
<td>Two-week bus suspension</td>
</tr>
<tr>
<td>4th referral</td>
<td>Removal from the bus for the school year</td>
</tr>
</tbody>
</table>

However, individual circumstances and severity of the misconduct (more/less) will be considered before any action is taken. Therefore, consequences may be more severe than indicated in the above guidelines.

The School Division does not provide bus transportation for students living within a school’s established walking territory.

**SCHOOL FUSION & PARENT PORTAL**

School Fusion is the learning management system tied to Reagan's website. School Fusion contains individual classroom web pages where students and parents can access homework due dates, files, resources and more. Parents and students create personal portals that allow them to e-mail teachers, store files and maintain a personal event calendar.

Parent Portal provides the opportunity for parents to access key pieces of information on file at school regarding their student(s) including grades, attendance, contact information, medical history, etc. Parents obtain access to this system by registering online using the Parent Portal tab on their school’s website, printing an e-mail message sent them from the Parent Portal system confirming their registration and providing a username and password, and turning in this e-mail and presenting a valid photo I.D. at their child’s school. The school activates the e-mailed username and password within 2-3 school days of the parent completing this process at the school. Reagan Middle School strongly encourages parents to take advantage of this resource.

**SCHOOL HOURS**

The school office is open from 8:00 a.m. through 4:00 p.m. The school is open for students starting at 8:00 a.m. with the exception of special morning activities sponsored by school staff. Students should not arrive at school prior to 8:00 a.m. unless participating in a specially scheduled morning activity. Staff members are not available in the morning prior to 8:00 a.m. to supervise students.

**SCHOOL VISITORS**

Permission for visitors must be obtained from the principal or his designee. School business is the only valid reason for visitation. All visitors, including relatives, must report to the main office to sign the visitor log and receive a visitor’s pass through RAPTOR, the visitor’s identification system. This pass must be worn while in the school building. Please note that all visitors must leave a picture I.D. in the main office and must be escorted by a staff member at all times. These practices reflect the requirements of Prince William Public Schools Regulation 501-6.
SKATEBOARDS, SCOOTERS, SHOES WITH WHEELS

Skateboards, scooters and shoes with wheels are not allowed on school grounds or school buses. Students are not permitted to bring these items to school.

STUDENT AGENDA USE

Each Reagan student is provided a Student Agenda at the start of the school year. The agenda is designed to help students keep track of assignments, projects, and involvement in student activities. A limited number of student agendas will be available for sale to any students who lose their agenda. The cost of a replacement agenda is $5.00.

TELEPHONES

Office telephones are to be used only in case of an emergency (injury/illness) or urgent situation. Forgetting homework, lunch, and/or lunch money is not considered an emergency or an urgent situation.

In general, students will not be granted permission to use the front office telephones during class time. Students will not be permitted to call home from classroom telephones.

TEXTBOOKS

Textbooks and supplemental materials are provided free of charge for student use in all Reagan Middle School classrooms. These materials are to be properly maintained and returned to the teacher when requested. It is the responsibility of parents to pay for any books that are lost or damaged by students.

TIP LINES

Students, staff and parents share the responsibility for an orderly and safe school environment. Information about drugs, weapons, or other factors that threaten the safety of the school environment should be reported immediately by contacting an administrator, teacher, or school counselor. If at home, please report your concern to your parent. You may also call the Prince William County Public Schools’ Tip Line at 703.791.2821. You may also use the statewide Tip Line at 1.877.472.3382. These tip lines are anonymous. Please note that these are recorded message systems and should not be used in cases of emergency or when an immediate response may be required. Please contact the police in cases of emergency.

WALKERS

A limited number of Reagan students may live in neighborhoods designated as walking areas by the School Division. During the summer and/or during registration these students are notified that they live in a walking area. Walkers will be issued “walker passes” during the first week of school with written permission and verbal confirmation from a parent or guardian. Student walkers must use public sidewalks and may not travel to school through private property. At dismissal, walkers should exit the building only through the double doors next to the band room. Bike racks will be provided for those walkers wishing to ride their bikes to school. The school is not responsible for the security of student bikes. Bikes may not be stored at school and should be securely locked.

As required by federal laws and regulations, Prince William County School Division does not discriminate on the basis of sex, race, color, religion, handicapping conditions or national origins in its educational programs, activities, or employment policies.

I, _________________________________ have read and fully understand the information printed below.

This memo serves to discuss the very strict rules regarding the use, possession or distribution of alcohol, drugs or tobacco, the possession of a weapon of any type, and the consequences of fighting.

Possession or use of tobacco is a violation of school policy and the law. All students will be accountable for the school policy as outlined in the Student Agenda and the Prince William County Public School’s Code of Behavior.

Prince William County School Division Regulation 745-1 indicates the distribution (by sale, gift or otherwise), attempted sale or attempted distribution of drugs (illegal, prescription, and/or over-the-counter), look-alikes (placebos include diet pills, vitamins, amphetamines, etc.), alcohol or inhalant intoxicants on school property, at school functions, or going to and from school shall result in a five (5) day out-of-school suspension and a recommendation for expulsion. Distribution is any attempt or actual completion of the act of giving or selling alcohol, inhalant intoxicants, drugs, placebos, or look-alikes by one student to another while on the way to school, during the school day, on the way from school or while in attendance at any school-sponsored function. The purchase or attempted purchase of drugs, look-alikes (placebos), alcohol, or inhalant intoxicants on school property, at school functions or going to and from school may result in suspension and recommendation for expulsion. Possession of drugs, as defined above, will also result in a recommendation for expulsion.

The possession of weapons on school grounds will result in a recommendation for expulsion as well as a five (5) day out-of-school suspension. Any drugs and/or weapons found will be turned over to the Prince William County Police for possible further action. Additionally, there is up to a five-day out-of-school suspension penalty, as well as possible recommendation for expulsion and/or the bringing of criminal charges for fighting.

Expulsion is different from suspension. Expulsion means that the Prince William County School Board makes a decision that will not allow the student to attend any school in Prince William County. Please refer to the Prince William County Code of Behavior for further details regarding expulsion.

SUBJECT: Mediation and Harassment

DATE: School Year 2015-16

I, ________________________________ have read and fully understand the information printed below.

(Student Name - Printed)

Student’s signature: _______________________________ Date: __________________________

Administrator’s Name: _______________________________

This memo serves to stress the importance of two very important issues: conflict resolution and harassment.

CONFLICT RESOLUTION/MEDIATION:
Students are advised to seek assistance from school personnel (teachers, administrators, counselors, etc.) in order to settle disputes peacefully, without violence or threat of violence. School personnel can assist in various ways including counseling, mediation, and consultation with staff members trained in conflict resolution.

Any potential incident should be referred to mediation by a student, a teacher, a counselor, or an administrator. Mediation referral forms are located in the front office and other places throughout the building. Forms should be completed and forwarded to a school counselor.

If a problem cannot be solved through mediation, students will be referred to their administrator. Students may be excluded or suspended until the parents return with the student for a conference. A student may then be readmitted to class on probation. Further incidents may result in suspension, prosecution, and/or expulsion.

Fights are not mediated. Fights result in suspension; however, students returning to school after suspension for fighting may be requested to attend a conflict resolution session on the day they return to school.

HARRASSMENT
Words, gestures, symbols, or physical contact that offend, intimidate, threaten, or persecute others will not be tolerated. Harassment of students or staff is prohibited. Harassment offenses are punishable through suspension or more serious disciplinary measures.

Parent Information Regarding Medication Procedures

The parent or guardian must transport medications to and from school/SACC. All prescription medications, including physician prescription drug samples, must be in their original containers and labeled by a physician or pharmacist. Over-the-counter medication must be in the original, sealed container. No medication will be accepted by school personnel/CRC without receipt of completed and appropriate medication forms.

Within one week after expiration of the effective date on the physician order, or on the last day of school/SACC, the parent or guardian must personally collect any unused portion of the medication. Medications not claimed within that period will be destroyed.

A physician may use office stationery or a prescription pad in lieu of completing Part II. Faxed authorization may be acceptable as long as there is a signed parental consent. Any changes in the original medication authorization will require a new written authorization and a corresponding change in the prescription label.
