A Message from the Principal:

It's so hard to believe we’re entering the Winter season! It’s been a great Fall season and I’m truly proud of the many wonderful happenings at Reagan.

As always, I must send the biggest shout out to our parents and guardians for sending us the best students in the world! Each day is an amazing one. They work hard and take on the challenges as the curriculum increases in rigor. It’s such a pleasure watching them mature and learn. Our 8th graders are growing up so fast. Before you know it, we'll be meeting with the high schools to schedule their 9th grade classes. YIKES!! Too soon, we’re not ready! They are pretty cool and we’d like to keep them. Our 7th graders are also rocking along very well. They are no longer 6th graders, but not quite 8th graders either. However, they are super talented, energetic and simply a delight to work with. I call them my “middle level leaders” because they always have great ideas to share with me. Our youngest Mustangs, the 6th graders are doing so well. These guys are truly awesome and have really adjusted to what we call, “structured freedom” in the middle school. If you ask a 6th grader, “what do you like about middle school?” We always hear, “we get to have more freedom.” That’s very true. However, it’s still structured :-). The 6th graders would not be happy campers with me if I didn’t tell you that the lockers are the coolest. That’s the other favorite comment :-). Thank you for sharing these awesome students with us each and everyday!

As you read through this special holiday edition of our newsletter, you will see a few of the awesome things our students have been involved in this year. The teachers and I can’t wait to see what 2017 has to bring. I truly pride myself in bragging just a little about Team Awesome! Our teachers truly care about your children and they have high expectations for them to work to their fullest potential and the students do just that. We were so proud to showcase our first ever “Touch Base.” The participation far exceeded our expectations and the teachers were so honored to know that you willing to see them even for just a few minutes. Thank you parents for making their day. I’m so proud of the staff and students at our school.

Since I’m giving shout-outs, I have to give a really big one to our awesome PTSO. These guys are simply amazing! To start, we had the coolest Fall Glow party ever! They make our teachers, staff and administration feel very special with lunch, breakfast and even dinner at times when we have very long days. We can always look around and see a PTSO volunteer in the library, hallways, office or anywhere they offer support. I can’t even begin to tell everyone what our PTSO means to us. As one would say, “they are gifts that keep on giving.” Thank you amazing PTSO.

Ok, it’s that time. You all get to keep our wonderful Mustangs until 2017! With that being said, I wish you all a Merry Christmas, Happy Hanukkah, Happy Kwanzaa and all of the beautiful holiday celebrations around the world at this time of year.

See you in 2017!

Informed by public preference for more class time before major tests and an earlier end to the school year, the newly adopted 2017-18 PWCS calendar will begin classes before Labor Day, but finish on June 8. The selection follows the work of the Calendar Committee, which had proposed two options (Pre-Labor Day and a Post-Labor Day) recommending the Pre-Labor Day version. Residents then had the chance to review, express their preferences, and comment on the options through an online survey. Results showed residents wanted the benefits that come from an early opening, but still preferred to start classes after the holiday—priorities that were irreconcilable. As a compromise, the School Board adopted a hybrid of the previously considered calendars, delivering the required number of school days, while reflecting most, but not all, community preferences.

- Classes begin before Labor Day;
- Winter and spring breaks are shortened by one day each (compared with the initial pre-Labor Day option) to allow the earlier end to the school year;
- Calendar includes 12 days worth of instructional hours beyond state requirements (based on the length of the PWCS school day) to absorb the need for weather-related closings or delays without changes**;
- Students get maximum instructional time prior to SOLs and other standardized testing;
- Classes end June 8.

**The calendar also includes three designated make-up days that would be used in the unlikely event that built-in allowances for weather issues prove inadequate.

* Early Dismissal Reminders *

Awesome Parents,

We truly understand if an emergency arises and you must pick your child up at dismissal. We will make every effort, to see to it that they are waiting in the office for you when there are emergency situations. However, the student must be signed out by a parent or an adult on the emergency card. Please know it’s not our wishes to make this a difficult transition. However, it’s really important to present proper ID when arriving for dismissal. Per our county guidelines and for safety reasons, we must verify your identity always before releasing a student. Parents, we also request that you arrive no later than 2:40 for early dismissal. Once actual dismissal starts, it’s very difficult to release individual students because your student may have exited the building already or is on a bus. Please make sure you know which bus your child rides. This helps if we have to pull them. Thank you advance for arriving before 2:40 p.m. Our office staff truly appreciates it.

Contacting Teachers, Counselors and Administrators

Parents, please be sure to notify your child’s teachers or counselors for any academic or behavior concerns. Please be sure to check out Private Class Pages for homework and classwork and the Public pages for additional information. If you need additional assistance, please do not hesitate to email your child’s teacher or grade level counselor. We are all here to educate and support your child.

Western Division Champions!

The 2016 Girls Volleyball A team completed an undefeated season to win the Western Division! The B team also finished first in the Western Division with a record of 8-2. The teams owe their success to a lot of hard work, selflessness, confidence, and heart. The girls would like to thank all of the staff, fellow students, and their families for filling the stands to cheer them on every point along the way.

Ronald Reagan Middle School
Girl’s Track

Western Division Champions!

The Ronald Reagan track team had a very good year. We had a team of 37 outstanding student athletes composed of sixth, seventh, and eighth grade girls. Congratulations to this amazing team on winning the Western Regional Meet – way to go girls! Like the announcer said during the awards ceremony, it was the most exciting meet we’ve seen in a while! The results were as close as they could possibly get in the point count. Our girls really came out that day to compete. During regionals, we had 13 personal bests from our athletes and we set 4 Ronald Reagan Middle School track records. Thank you to all who supported our team during the year. Our success is a testament to the efforts you contributed to help our girls achieve greatness.

REAGAN MIDDLE SCHOOL DRAMA

General News / December 2016

FROM THE DRAMA DESK OF MR. SWEET:

Hi to everyone! It is a real pleasure to be writing to ya’ll! There are so many new things we have all enjoyed and there are more in the works. First, almost without exception, the overall progress of the students engaged in the drama courses is fantastic. The learning and teaching is certainly mutual! Thank you! Second – included in this communique is information regarding “stuff and things,” going on in the dramatic performing arts at Reagan. All questions and support are always welcome. Thank you and Happy Winter. Joy is wished for everything it brings.

October 28 – 30, the Reagan Competitive Drama Troupe traveled to Norfolk, Virginia to participate in a state-wide theatre conference. They attended workshops, a live professional performance and presented a competitive play. Out of 10 middle schools Reagan scored in the top 5 – and they scored high enough to receive a Bronze trophy (which all schools did not receive) and Reagan had 2 actors who received “All-Star,” recognitions and medals: (Seventh graders Tyler Rochelle and Jack Kelley). The cast consisted of Sophia Caron (Mal), Tyler Rochelle (Robot), Tyler Hoopingamer (James), Collette Nisson (Anastasia), Peyton Rahn (Captain Awesome), John T. Kelley (Dr. Sly), Kyler Gray (“Z”). Directors/Crew: Student Director: Ashleigh Kraemer, Assistant Student Director: Callahan Adams, Stage Crew Props: Bryce Johnson, Stage Crew Costumes/Makeup: Chloe Salman, Stage Crew Special Effects: Caroline Denholm

Next: Theatre classes are entering in to Choreographed Movement…aka Dance (light). We are very excited about the performance techniques we are developing. Class Performances will be in January for each class to present original skits and other such works. Sixth grade performances will occur during the school day from 1:15 – 2:30, class depending. January 19 and 20. Seventh grade Drama Classes will perform after school, 3:15 – 4:55 on January 24. Eighth grade Drama Classes will perform in the evening on Tuesday, January 24. Performance begins 6 p.m. and runs until 8 p.m. Concessions for students and audience members (sandwiches, drinks, other snacks for purchase) will be available (volunteers needed to tend to this please!) Classes will be performing in 25-30 minute increments and you may attend all of them or only the class in which your student (s) is/are enrolled. (Drama T-shirts and jeans are the required uniform for this performance)
MUSICAL CALENDAR (TENTATIVE)

January 5, 11/12 (auditions days), 19 & 26. February 2, 9, 16, 23. March 2, 9, 16, 23 and production days (Mandatory) 25 (Saturday)
27, 28 (until 8pm with cast/crew potluck) 29 with performances 30, 31 and 4/1 (twice).

MUSICAL BEGINS:

This year, Drama Club is getting out our bag of tricks, and, with all of the bells, whistles, dancing, acting and singing one can imagine, present a musical! Interested students are able to get a head start and attend the first meeting/workshop with Mr. Sweet, December 8, 2016. The workshop will last until 445 (there are activity busses). At this meeting, we will get acquainted with one another, discuss the participation process and learn a dance combination along with a portion of a song. Both will be used in the auditions which will occur January 11 and 12. NOTE: Whereas Drama Club includes everyone, the audition process will be used to establish actual roles; leads, dancing chorus, singing ensemble and other principal actors parts. Drama Club will meet on Thursdays in January through March with a culminating weekend of performances at the very end of March (snow days depending). The whole last week of March we will rehearse extra times – which will be noted on the Drama Club calendar. April 1, we will have 2 performances, the matinee of which will be dedicated toward a community service-ticketed and donation based project….the matinee will be served in the “dinner theatre” style and will be a very exciting afternoon, combining with other clubs at Reagan as well to feature assorted fine cuisine.

For more information, please feel free to contact Mr. Sweet sweetpf@pwcs.edu or by phone, 571.402.3581.

* To participate, students need to have signed up on the sheet outside of Mr. Sweet’s room 1325 and will have to have a permission form signed in January to participate in the full rehearsal process. There will be an “excused absence policy,” for the rehearsal process, however, only one absence is requested during this time as we have limited time together. Roles may suffer (and are replaceable) in light of repeated absences

Important Information for Parents and Students

Animals in the school setting and school grounds
Parents, please know that we love animals and would welcome them in the school for instructional purposes per county regulations. Unfortunately, animals, specifically dogs are not allowed in school or on school grounds. There are signs posted near our fields. We recognize that all animals we’ve seen are secured to a leash. However, we ask that you adhere to the PWC policy and leave your pets at home. Please also understand that you may be asked to leave the campus with your animal.

Question/Answer– Good To Know

Q: How do we get important messages or items you may drop off for your child to them in a timely manner?
A: If it’s an emergency item, we’ll get it to them right away. However, if it’s something they can pick up during lunch, their names are posted on the message board and they know to report to the message table to pick the items up. This usually works very well. If a major change will occur for your child for the day, such as a different route home, please share this and we will have a counselor or administrator to get the message to them asap. When bringing shoes, please put them in a plastic bag with student’s name on it.

Q: Can I speak with a teacher during the day if I have questions about my child?
A: During the instructional day, teachers are not able to speak to parents on the phone. However, they are required to follow-up within 24 - 48 hours. They may also attempt to call during their planning times.

Q: Am I allowed to have lunch with my child?
A: Absolutely! However, middle school students usually aren't too cool about it. Just let the office know and you’ll need to sign-in.

Q: Can I watch my child practice sports?
A: Our coaches welcome it. However, please no side-line coaching :-). When visiting inside of the building, please arrive before the main office closes at 4 p.m. and make sure the coach is aware of your visit. You must be officially signed in when coming into the building.

Q: Can I volunteer at the middle school?
A: Absolutely! We welcome volunteers. In fact we need parent volunteers in many roles. Please contact Jan Smith at 571.402.3500 if interested.
Plan Ahead for The Inclement Weather Season

Decisions to delay or close schools due to inclement weather are usually made by **5 a.m.** the day of the delay or closing.

On the PWCS Home Page: School closings, delayed openings, or early closing information will be announced on the PWCS home page as soon as decisions are made (Go to www.pwcs.edu, see the top of the page).

- When viewing the PWCS Web Site be sure to "Refresh" your web browser or in some cases you may need to CLOSE AND REOPEN YOUR BROWSER window if the refresh does not show the closing announcement.
- When schools are "**closed on Code Red**" (employees do not report to work) or "**closed on Code Green**" (teachers do not report but 12-month employees do report to work), all school division **activities will be cancelled.** Also the **School Age Care Program will not be open.**

Two-Hour or One-Hour Delayed Opening

All students, teachers, teacher’s aides, bus drivers and bus driver attendants shall report to work on a 2-hour or 1-hour delay.

- All classified employees, teachers on 12-month contracts, all administrators and all cafeteria workers report at normal times.
- Note that sometimes a 2-hour delay or 1-hour delay is later changed to a full day school closing; **so check for announcements frequently when there is a delayed opening.**
- The **SACC program** will also be delayed one or two hours.
- Note that sometimes a 2-hour delay is later changed to a full day school closing; **so check for announcements frequently when there is a delayed opening.**
