## Task 1 – Je me présente

### Learning target:

I can greet and introduce myself in French giving information about my name, age, and nationality.

I can start a conversation in French, using correct greetings, and continue a conversation by asking questions and using the expression and you?

Task: Compose an email to your penpal in French

Criteria: Say hello, introduce yourself, ask them their name. Ask your pen-pal how they are doing and say how you are doing. Tell your pen pal your age and when your birthday is. Tell your pen-pal where you are from. In your email, ask your pen pal how old they are, and when their birthday is. Close your email and say good-bye.

Organize your writing – write the phrases in French below:

Introduction – begin your email with:

Give your name:

Ask their name:

Ask how they are doing:

Say how you are doing:

Say how old you are:

Give your birthdate:

Give your nationality or say where you are from:

How can you ask a question with two words? What are they?

Close your email:

Use your responses to write your email on the back
